Welcome Back STAR!

SWIC is excited to announce the return of the Denver Public Schools “STAR” Program. Twenty students from Lincoln and Kennedy High Schools will participate in “STAR,” which stands for “Students Transitioning to Adult Resources.”

Molly Daw, coordinator of the program, says that the students are developing the skills to become independent adults. They are focusing primarily on job skills and job training but also discuss self-advocacy, self-awareness, and travel training. The students will learn how to access the RTD and plan on taking field trips to libraries, college campuses and community centers.

STAR meets at SWIC every Monday and Wednesday from 8:00 am to 12:00 pm. Stop by and say hi! If you have any questions about the program, call Molly at 720-423-8276.
