**Foreclosure Prevention Program
Requests Appointments PLEASE!**

In order to serve YOU best, SWIC requests
that people seeking housing or foreclosure
prevention assistance make an appointment by
calling 303-934-0923.

With the large number of neighbors facing
home foreclosure, the SWIC Housing program is
VERY busy.

When you make your appointment ask for
the forms that you will need to complete before
you meet with your Counselor. You can also
download these forms at www.swic-denver.org.

Thanks in advance for
helping us help you!
