### PROTECT YOURSELF from 'Check Fraud'

- Don't accept checks from **people you do not know** and would be hard to find if there is a problem with the check.
- Be VERY **wary of e-mails or phone calls that seem to be from overseas.** Don't even respond!
- **Never accept an overpayment** for something for sale. **Overpayments are a scam.** *The check will end up failing to clear and the bank will hold YOU responsible.*

#### FRAUD TIP!

#### Foreign Lotteries are a Scam

It is illegal for anyone in the United States to play a foreign lottery by mail, computer or phone. If you can't play, you can't win!
